

A Million Dreams

Michelle Williams, Hugh Jackman

I close my _____ and I can see
The world that's waiting up for me
That I call my own
Through the dark, through the _____
Through where no one's been before
But it feels like _____
They can say, they can say it all sounds

They can say, they can say I've lost my

I don't care, I don't care, so call me crazy
We can live in a world that we design
'Cause every night I lie in bed
The brightest _____ fill my _____
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million _____ for the world we're
gonna make
There's a _____ we can build
Every room inside is filled
With things from far away
The special _____ I compile
Each one there to make you _____
On a _____ day
They can say, they can say it all sounds
crazy
They can _____, they can say we've
lost our minds
I don't care, I don't care if they call us
crazy
Runaway to a world that we design
Every night I lie in _____
The brightest colors fill my head
A million dreams are keeping me

I think of what the world could be
A vision of the one I see

A million dreams is all it's gonna take
A million dreams for the world we're gonna
make

However _____, however _____
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to _____
I close my eyes to see

Every _____ I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
A _____ dreams, a million dreams
I think of what the world could be
A _____ of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna
make

For the world we're gonna _____
