Listening: listen and watch the video

Escoltar l'àudio atentament, fer les activitats i utilitzar el diccionari. Prioritzeu les activitats orals i interactives sobre les escrites. En esta activitat ens centrem en la part oral de la llengua, en el contacte amb la llengua amb una persona nativa i fem activitats interactives (preparation and games). YOU'LL BE IN MY HEART
Phil Collins

Come stop your crying
It will be alright
Just take my _____
And hold it tight
I will protect you
From all around you
I will be _____
Don't you cry
For one so _____,
You seem so strong
My arms will hold you,
Keep you _____ and warm
This bond between us
Can't be broken
I will be here
Don't you cry
'Cause you'll be in my _____
Yes, you'll be in my heart
From this day on
_____ and forever more
You'll be in my heart
No matter what they say
You'll be here in my heart

Why can't they understand the way we
feel
They just don't trust what they can't

I know we're different, but deep inside
us

We're not that _____ at all
And you'll be in my heart
Yes you'll be in my heart
_____ this day on
Now and forever more
Don't _____ to them
'Cause what do they know
We need each other, to have, to hold
They'll see in _____, I know
When destiny calls you, you must be

I may not be with you
But you got to hold on
They'll see in time, I _____
We'll show them together
'Cause you'll be in my heart
_____ me you'll be in my heart
I'll be there from this day on
Now and _____ more
You'll be in my heart
No matter what they say
You'll be here in my heart
Always
Always I'll be _____ you
I'll be there for you always
Always and always
Just look over your shoulder
Just look over your shoulder
Just look over your _____
I'll _____ there
Always

**Just look over
your shoulder!!!**
